DEVELOPMENT DEPARTMENT

Sub:- Establishment - Cooperative Societies -
Housing scheme - Staff for the office of
the Deputy Registrar, Bellary - Retention
of one Senior Inspector-Clerk - Requested.

Ref:- G.O.No.2531 Development dated 4-6-51.

AS of (C)

In their order cited Government were pleased to sanction the employment temporarily for a period of one year from the date of appointment of one Senior Inspector in the office of the Deputy Registrar, Bellary, to cope with the increased work connected with building societies. The sanction will expire on 30-7-52. The Deputy Registrar, Bellary, requests that as there has been a definite increase of work in his office on account of the development of housing schemes in his District, the post may be extended for a further period from 10-7-51.

2. Since the date of submission of the original proposal for a Senior Inspector-clerk, one more building society was registered. There are at present 3 building societies, one Rural Housing Society for Bellary. Four housing societies have completed 156 houses and they are proceeding with the construction of another 56 houses, out of the 511 houses progressed for by them. They will take up more houses as and when further loans are sanctioned to them. The Yerranur 'Leavers' Cooperative society that took up a housing scheme for its colonists, has completed 65 houses. The Gurupuram Rural Housing Society has started construction work in respect of 10 houses. The building society at Hirpanahalli has begun work and completed 3 houses. It is proceeding with further construction. During the period from 1-7-51 to 30-4-52, 88 loan applications involving Rs.4,32,850/- were recommended for sanction and of these, 82 loan applications aggregating to Rs.3,83,900/- were sanctioned. Besides these, reallocation in respect of 122 cases was sanctioned for Rs.2,31,600/- and a sum of Rs.1,71,000/- involved in 162 cases was drawn during the period. The Government loans outstanding on 30-4-52 amounted to Rs.10,10,890/- as against Rs.7,65,751/- as on 1-7-51. The total amount spent on construction work by the building societies upto 30-4-52 amounted to Rs.18,36,706/-.

3. There has also been a steady increase in the receipt of currents in the Office of the Deputy Registrar. 23,815/ currents were received in the year 1951 as against 20,981 in 1950 and 3,084 in 1949. During the period from 1-1-52 to 30-4-52, 7,328 currents were received. The total sanctioned strength of the office remains at what it was in 1950 except for the addition of the post of one Senior Inspector under reference sanctioned in 1951. There are 3 Senior Inspectors, 4 Junior Inspectors and 4 Routine Clerks working in the office. The total number of currents received in the housing section exceed 300 per month on an average. The latest arrears list shows that there are 399 currents pending in the section and of these 192 relate to loan cases. The scrutiny of loan applications, examination of title deeds, maintenance of Government ledgers and other accounts, issue of demand notices to societies, watching the prompt remittance of Government dues etc, and other correspondences relating to execution, arbitration, audit of accounts of building societies

rectification of the defects, reconciliation of accounts with the Treasury figures etc. that are not reflected in the number of currents received, all involve heavy clerical work necessitating the retention of the post of the Senior Inspector. I therefore request that the Government may be pleased to sanction the retention of the post of the Senior Inspector-Clerk for a further period of one year from 10-7-52.
